

Michellene Kulick

2007 Carr Fellow - Elementary and Bilingual Education Department

Michellene completed the M.S. degree in Education with a concentration in Elementary Curriculum and Instruction at CSUF the conclusion of the Fall 2006 semester. Faculty found her thoughtful, intelligent, highly engaged in the coursework, and always in pursuit of applying theory and research to practice. To every class session, Michellene brought a passion for learning and an absolute commitment to providing high quality learning experiences to all of California's students. She is an exemplary advocate for all students. Michellene is currently a teacher in the Anaheim City School District where she is recognized for her leadership in Gifted and Talented Education (GATE). She has served on numerous school-wide and district-wide committees, including the District Social Studies Text Adoption Committee, Discipline Committee, School Site Council, and the Leadership Team. She has been a Peer Assistance League advisor, Science Teacher Leader, teacher trainer in the English Now program, Master Teacher to student teachers, and a teacher in the English Language Development Saturday School. She plans to continue her professional development in the areas of English Language Development and Gifted and Talented Education and she is interested in conducting research in the area of gifted learners and parent involvement. Michellene is considering pursuing her doctoral degree.
