

Future Teachers Recruitment Ideas

Thirteen Helpful Recruitment Ideas

1. Ask past Future Teachers participants to recruit by spreading the word, distributing flyers, and speaking in science and math classroom.
2. Participate in your campus Club Rush Week.
3. Cultivate students from AVID or school academy programs.
4. Encourage participants to use the experience as part of their Senior Project.
5. Staff a table during lunch in the cafeteria or eating areas. Provide Future Teachers Flyers or Brochures, sample fieldtrip agendas, speaker information, and our last Toys for Teaching Math and Science brochure (available on our Website)
6. Read an announcement about Future Teachers over the PA system.
7. Distribute Future Teachers Flyers in science and math classes.
8. Encourage colleagues to recruit.
9. Post Future Teachers Posters in the school media center and heavy traffic areas.
10. Advertise or publish an article about Future Teachers in the school newspaper.
11. Advertise or publish an article about Future Teachers in the school parent newsletter.
12. Recruit early for the upcoming semester.
13. Post information about Future Teachers on your school Website and create a link to Fullerton's site:
http://ed.fullerton.edu/SecEd/Future_Teachers/Index.htm
