Fall 2020
Scholarship Newsletter
Message from the Dean

It is my pleasure to announce this year's outstanding scholarship recipients within the College of Education. Scholarship support makes the difference to many of our students who are now facing even more financial hardship that potentially jeopardizes their ability to continue their education. Thanks to your commitment, our students have the financial support to work toward their degrees and reach their goals of being a Titan future teacher, administrator, or online instructional designer.

The College of Education remains committed to students and the community during today's global challenges. Throughout the year, the College provides direct services to more than 3,000 community students. This year alone, the College has successfully pivoted resources to address current issues by offering free webinars, virtual tutoring, online teaching, anti-racist curriculum, and learning opportunities to 500+ community students and 400+ teachers.

Your investment in the College of Education allows us to create a highly-trained and diverse teaching workforce while supporting current educators in the communities we serve. Thank you for standing with the College of Education and supporting teachers as they change lives and change the world!

To continue providing opportunities to current and future students, please contact Lisa Miller, Associate Director of Development at limiller@fullerton.edu or visit: https://give.fullerton.edu/college-of-education.

Sincerely,

Lisa Kirtman, Ph.D.
Dean, College of Education
