First Year Transfer Information for History Majors
Planning to Teach High School Social Science

Recommended semester planning is shown. These classes apply to one or more of the following sets of requirements:

1) The History (HIST) major
2) Subject Matter Preparation Program in Social Science (SMPP)
3) Single Subject Credential Program Prerequisites

All transfer students must take 9 upper division General Education (GE) units in residence at CSUF. Students are encouraged not to take classes just for GE requirements until they have met with an advisor. There may be opportunities to “double count” classes—use the same class for GE and another requirement.
