First Year Transfer Information for Sociology Majors
Planning to Teach Elementary School

Recommended semester planning is shown. These classes apply to one or more of the following sets of requirements:

1) The Sociology (SOCI) major
2) CSET Preparation Courses
3) Multiple Subject Credential Program Prerequisites

All transfer students must take 9 upper division General Education (GE) units in residence at CSUF. Students are encouraged not to take classes just for GE requirements until they have met with an advisor. There may be opportunities to “double count” classes—use the same class for GE and another requirement.
