New Student Orientation

CENTER FOR CAREERS IN TEACHING
What We Will Cover

- Welcome to CSUF
- General Education Courses
- Future Teacher Pathway
- Center for Careers in Teaching
College Terms to Know

- **GE** = General Education courses
- **Units** = how many hours you meet per week
- **Undergraduate** = students completing requirements towards their bachelor’s degree
- **Post-Baccalaureate** = someone who has earned their bachelor’s degree
- **Lower Division** = 100-200 level courses
- **Upper Division** = 300 or higher level courses
- **GPA** = Grade Point Average
- **Office Hours** = a weekly time a professor is scheduled to be in his/her office to assist students

---

CSUF Terms

- **CCT** = Center for Careers in Teaching
- **TDA** = Titan Degree Audit
- **CWID** = Campus Wide Identification Number
- **Student Success Team** = a student support/advising team in each college
High School vs. College

**High School**
- May study for as little as zero to two hours outside of class and earn a good grade
- Teachers approach you when they think you need assistance
- You spend 6 hours in class each day, about 30 hours per week
- Your time is structured by others
- Most classes are arranged for you

**College**
- You need to study at least 2-3 hours outside of class for each hour in class
- Professors are usually open and helpful, but most expect you to initiate contact if you need help
- You spend 12-16 hours each week in class
- You manage your own time
- You arrange your own schedule in consultation with an advisor during orientation
Academic Advising @ CSUF

You are encouraged to use as many advising support sources as needed for academic success.

*Especially important advising resources for future teachers
Future Teacher Success Pathway

- General Education
- Teacher Preparation
- Center for Careers in Teaching
Minimum **120 Units** Required for Bachelor’s Degree

- **General Education**: 51 units
- **Major**: 36-70 units
- **Minor or Elective**: 18-24 units

*Courses CANNOT be taken from the major department for General Education*
If you are following a four-year graduation plan...

- You should be completing at least **30 units** per academic year.
- Different ways to reach 30 units per year:
  - **15 units** per semester (fall and spring only) = **4 years**
  - **12 units** per semester (fall and spring) + **6 units** every summer = **4 years**
  - **Will vary based on how many units you take each semester and if you would like to complete summer coursework**

- If you only take **12 units** or less per semester (fall and spring only) = **5+ years to graduate**
- **Note:** while setting an ambitious graduation rate can be good, keep in mind that you want to maintain academic success in all your courses.
SENIOR / 90-120+ UNITS
- Check your Titan Degree Audit for completed grad check
- Review your Grad check with a major and GE adviser to ensure timely graduation
- Complete at least 120 units to graduate, including 40 upper division units

JUNIOR / 60-89 UNITS
- Declare your major by 60 units
- Integrate upper-division GE courses (300-400) and major courses
- Meet with GE and major adviser
- Apply for graduation at completion of 85 units through your “Student Center” and pay your Graduation fees

SOPHOMORE / 30-59 UNITS
- Continue combining lower-division GE and major courses
- Meet with a GE and major adviser
- Declare your major before earning 60 units!

FRESHMAN / 0-29 UNITS
- Integrate lower division General Education and major courses
- Review your TDA during your 1st semester to plan for your 2nd semester schedule
- Plan Ahead! Schedule an appointment with a Center for Careers in Teaching adviser every semester to track your progress and confirm your plan for next semester.

Road to Graduation
*Students are advised to wait until their junior or senior year to take upper division GE courses.
Titan Degree Audit (TDA)

• The BEST way to track your progress towards degree

• Provides a list of course options for each GE & Major requirements

• Accessed by:
  • Logging onto your student portal
  • Click TITAN Online
  • Click TITAN Degree Audit

These charts and graphs provide a visual representation of your progress in General Education and overall units required for your Bachelor’s Degree. At this time, charts and graphics are not yet available for your major and/or minor requirements. It is important that you still review the body of the TDA for specific details of your degree and progress toward graduation.

***IMPORTANT INFORMATION***

Regarding Final Evaluation and/or Grad Checkout Status

*Final Evaluation Status: INCOMPLETE
  (For Transfer Students Only)
  A review of the units that you earned from other colleges/universities, or the Advanced Placement
  Tests has not been completed.

This TITAN Degree Audit (TDA) is provided to help you keep track of your progress toward a degree. Although efforts have been made to ensure its accuracy, you must carefully review it and report
Understanding Your TITAN Degree Audit (TDA)

Legend: Abbreviation of Symbols

- Complete: OK
- Unfulfilled: NO
- In Progress: ..., or IP
To build a comprehensive foundation of knowledge it is essential to earn 51 units of General Education on the path to your degree from CSUF.

Your 51 units of General Education will be built within the following categories:

A. Core Competencies (9 units)
B. Scientific Inquiry and Quantitative Reasoning (12 units)
C. Arts and Humanities (12 units)
D. Social Sciences (15 units)
E. Lifelong Learning (3 units)
Z. Cultural Diversity*

* Not an additional 3 units- this category is simultaneously satisfied with a course from either C, D or E
Area A: Core Competencies

Area A:

- Letter grade of C- or better required
- 9 units minimum

A.1 Oral Communications course

A.2 Written Communications course

A.3 Critical Thinking course
Area B: Scientific Inquiry and Quantitative Reasoning

**Area B:**

- **12 units minimum**
- Letter grade required

**B.1** Physical or Earth Science course

**B.2** Life Science course

**B.3** Lab Experience

**B.4** college level Math course ("C-" or better)
### Area C: Arts and Humanities

**Area C:**

- **12 units minimum**
- **Letter grade required**

#### C.1 Introduction to Arts course

- **C.2 Introduction to Humanities course**

#### C.3 Explorations in Arts and Humanities (300+ level)

#### C.4 Origins of World Civilization course
Area D: Social Science

Area D:

- **15 units minimum**
- **Letter grade required**

D.1 Introduction to the Social Sciences course

D.2 World Civilizations and Cultures course

D.3 American History, Institutions and Values course

D.4 American Government course (C or higher for future teachers)

D.5 Explorations in Social Sciences course (300+ level)
If you scored a 3, 4, or 5 on an AP exam, please review the AP exams CSUF accepts on the Academic Advisement Center homepage http://www.fullerton.edu/aac/. Send an official score report from College Board to Admissions and Records (LH-114).

You could already have some General Education requirements completed!
Teacher Preparation

WHAT YOU NEED TO KNOW TO BECOME A TEACHER IN CALIFORNIA
How do you prepare to become a teacher?

Subject Matter
- Foundational knowledge of curriculum area(s)
- Effective reading, writing, and critical thinking practices

Pedagogy
- Strategies and techniques of effective teaching
- Student Teaching
Bachelor Degree
- Major in Content Area
- Major with embedded Content Area Coursework
- Major with Minor in Content Area
- Major with Electives in Content Area

Basic Skills
- CBEST
- Other options
  - EAP
  - ELM/EPT
  - SAT
  - ACT
  - AP
- CSET Writing Skills

Subject Matter
- CSET
- Exam to demonstrate subject matter knowledge
- SMPP
- approved coursework option for subject matter competency

Professional Development Program
- Multiple Subject
  - Human Dev., EDEL 315, EDEL 325
- Single Subject
  - EDSC 310, 320, 330, 340
- Special Education
  - SPED 371, 322, 425

CSUF Teacher Preparation Pathway
### Popular Majors

- Child & Adolescent Development (CHAD)*
- Liberal Studies (LBST)*

### Other Possibilities

- American Studies
- Anthropology
- Chicano Studies
- Communications
- English
- Geography
- History
- Human Services*
- Psychology
- Religious Studies
- Sociology

*Please note these majors are not about teaching but offer a concentration in elementary education. Be sure you choose a major you are passionate about.*
## Majors for Teaching Middle/High School And Special Education

### Social Science Credential
- American Studies
- Anthropology
- Asian American Studies
- Criminal Justice
- Liberal Studies (Thematic Plan)
- Economics
- Geography
- History
- Political Science

### Other Majors
- Art
- Biology
- Business Education
- Chemistry
- English
- Geological Sciences
- Math
- Modern Languages
- Music
- Physical Education
- Physics
Future Teachers Fulfill Multiple Sets of Requirements

- GE
- Subject Matter
- Major
- Credential Program Prep
Center for Careers in Teaching

We provide the following:

- Academic advisement to CSUF undergrads and prospective students
  - GE advising
  - Academic planning
- Information Management Resource
  - Current California requirements for teacher preparation
  - Campus Involvement
  - Specific preparation requirements for CSUF's credential and College of Education Master’s programs
We also provide:

- Study space for students
- Career advising with our College of Education Career Specialist
- CBEST and CSET prep book rentals
- Assistance in choosing a major
- Free printing
- Community of future teachers on campus
Get Involved!

- **Jumpstart**
  
  Dedicated to working with early childhood education. Students can get involved through the Center for Internships and Community Engagement
  
  [http://www.fullerton.edu/cice/programs/jumpstart/](http://www.fullerton.edu/cice/programs/jumpstart/)

- **Student California Teachers Association (SCTA)**
  
  Dedicated to supporting persons who want to become educators. Benefits include liability coverage while student teaching.

2015-2016 SCTA Exec board at their annual conference
The CCT Team

- **Pat Ashley** Office Manager
- **Caren Bautista** STEM Coordinator
- **Jacqueline Calabrese** Community College Relations Coordinator
- **Taliah Chatterfield** Retention and Recruitment Coordinator
- **Brittany Henry / Alisia Kirkwood** Graduation Specialist
- **Aimee Nelson** Director

Education Classroom Building (EC) 379
Mon, Wed, Thurs: 8:00-5:00 pm
(beginning fall 2017) Tuesdays 8:00 – 7:00 pm
Fri: 8:00-4:30 pm

Set a reminder to see a CCT adviser in October to plan out your spring classes
This presentation will be emailed to you.
Registration and Titan Scheduler

Choosing Courses for Your First Semester
After you are done registering:

- Please complete the brief survey for NSO
- We will provide the link at the end of the presentation
Log in to the computer using your username and password then open a chrome browser.

This should be the same information you have been using to log into your student portal.
Log in to Student Center

Click the Enroll link
On the **Add** tab, select the **Fall 2017** term.
Check yellow box for required GE courses

This box is letting you know that you MUST register for the required courses.

Add Classes
1. Select classes to add

Put classes in your Shopping Cart and when you are satisfied with your class selections, proceed to step 2 of 3.

You have the following Remediation/G.E. Requirements:

You must register for the required courses listed below PRIOR to registering for any other courses.

If you put any other courses in your shopping cart, you will be required to delete them until you are registered for your required courses.
A required course may not be dropped, and may only be swapped for a required course.

You are required to enroll in one of the following:
Course Communication Skills CHIC-102
Course Beginning College Writing ENGL-101
Course Intro to Human Comm HCOM-100
Course Public Speaking HCOM-102
Course Oral Comm of Literature THTR-110

You are required to enroll in one of the following:
Course Liberal Arts Mathematics MATH-110
Course College Algebra MATH-115
Course Intro Probabil&Statistics MATH-120
Course Precalculus MATH-125
Course Short Course in Calculus MATH-130
Course Business Calculus MATH-135
Course Calculus I MATH-150A
Course Calculus II MATH-150B
Course Mathematical Structures I MATH-270A
Using Titan Scheduler

A TOOL TO HELP YOU NOT LOSE YOUR MIND 😊
Go back to your Student Center; Click Titan Scheduler
Open New Window

TITAN Scheduler

The TITAN Scheduler helps you plan your class schedule. You may need to disable the pop-up blocker of your internet browser to successfully launch the TITAN Scheduler. Go to Turning Off Pop-up Blockers if you need instructions.

Instructions:

1. To open the TITAN Scheduler in a pop-up window

2. After clicking ‘Send Schedule to Shopping Cart’ return to this window by Student Center tab at the top of the browser window.

3. To continue with course enrollment, you need to go to your Titan Online Student Center by clicking this Course Enrollment button:
Select Fall 2017. Then push “Save and Continue” button.
Building Your Schedule

TITAN Scheduler

Course Status: Open Classes Only
Locations: All Locations Selected
Instruction Modes: All Instruction Modes Selected
Term: Summer 2016
Sessions: All Sessions Selected

Instructions: Begin your schedule building by adding desired courses and breaks. Once your selections are made, click the Generate Schedules button.

Courses
- + Add Course

Breaks
- + Add Break

Schedules
- Generate Schedules

Academic Advisement Center http://www.fullerton.edu/aac/
Use the breaks feature to block out certain days and times you do not want classes. The breaks feature is not what times you would prefer classes.
After you have added breaks, click “Back” tab to add courses.
Click “Add course” button to add which classes you would like for Fall semester. We recommend 12 units (about 4 classes).
Search by course attribute such as “General Education”
Once you have added a class to your scheduler, click “Back” tab.
Once you have added all of your courses, Click “Generate Schedules” tab.
Choose from the list of schedules generated for you
Once you find a schedule you like, lock those courses using the lock icon next to the class.

Also check to make sure you have at least 12-units if you would like to be full-time.
Use your GE worksheet to write down the 5-digit class #

The 5-digit class # is located next to the lock icon
DO NOT send classes to shopping cart!

Go back to Titan Online and your Student Center and click “Enroll”
On the "Add" tab, select a registration term, then click "Continue"
Locate the class number for **ENGL 101** or **A.1** from your list. Enter the class number in the **Enter Class Nbr** field and then click **Enter**.
Click Green “Proceed to Step 2 of 3” Button at bottom of cart

You must fully register in the required A.1 or A.2 course before you can register in any other courses.
### Finish Enrolling

Summer 2016 | Undergraduate | CSU Fullerton

<table>
<thead>

[CANCEL] [PRE] [FINISH ENROLLING]
Add Classes

3. View results

View the following status report for enrollment confirmations and errors:

graduate | CSU Fullerton

<table>
<thead>
<tr>
<th>Class</th>
<th>Message</th>
<th>Status</th>
</tr>
</thead>
<tbody>
<tr>
<td>MATH 115</td>
<td>Success: This class has been added to your schedule.</td>
<td>✓</td>
</tr>
</tbody>
</table>
Once you have finished enrolling in A.1 or ENGL 101, click “enroll” tab at top of student center page.

On the "Add" tab, select a registration term, then click "Continue".
Your shopping cart will be empty

- Take the 5 digit code of each class you are not enrolled in, and input it under section that says “Enter Class Nbr” on the left hand side.
- The class number should correspond with the same day/time/location as the classes you have in your Titan Scheduler.
- Push “select” button on right hand side and this will add the class to your shopping cart.
Once you have added all of your other courses to your shopping cart, click “Proceed to step 2 of 3” button.

Then click “finish enrolling” button and wait for green check mark.

Once you are enrolled in all classes, check your schedule to make sure it is how you want it to be.
Swapping a Course
(Must be used for English/Oral Communications and Math courses)

Swap a Class

1. Select a class to swap

Select the class you wish to swap then select the class you wish to replace it with.
Before you go...

Please complete the NSO survey:

http://tinyurl.com/CSUFOvernight
