Registration Season Is Upon Us!

Summer 2020 and Fall 2020 registration is here and The Center for Careers in Teaching is still here to support you! Our center remains fully operational during this time and we have transitioned to virtual academic advising! Please be sure to refer to the step-by-step screenshots below to assist you with scheduling a virtual academic advising appointment!

Schedule Your Virtual Academic Advising Appointment:

Please refer to these step-by-step guides to assist you with scheduling a virtual academic advising appointment. Due to the COVID-19 crisis, we understand students may have difficulty completing the admissions requirements for our fall 2020 credential programs. We want to encourage you to apply to our programs regardless. Please contact us if you would like to learn more!

Credit (CR)/No Credit (NC)

If you have any questions or need additional support, please do not hesitate to call or email us!

Do you have questions about the Credit (CR)/No Credit (NC) option? If so, please be sure to consult with an Academic Advisor in the Center for Careers in Teaching. In addition, please refer to the Credit (CR)/No Credit (NC) frequently asked questions (FAQs) using the following link: https://tinyurl.com/crncquestions

Join us on Thursday, May 14th & May 28th anytime between 3:30pm and 5:00pm to learn more about MCE and connect with your team of advisors!

Men of Color in Education (MCE)

Men of Color in Education (MCE) is designed to support and empower Latino and African American men persist towards a teaching credential program and becoming teachers who are committed to a just, equitable, and inclusive education. Our initiative empowers undergraduate men of color to engage and persist towards academic and professional success by providing holistic academic advising, culturally relevant career counseling, and a sense of belonging and inclusion within the campus community.

Math and Science CSET Study Groups!

Are you in need of a virtual study group? Do you need help preparing for the Math & Science CSET Exam? If so, please add your contact information using the link below to obtain more information about the Math & Science CSET Study Groups!
