This past month, TFT members actively participated in two engaging workshops! On Oct. 13th, COE Career Specialist, Sophia Moriel, facilitated a meeting on the importance of building relationships. During an event on Oct. 27th, members explored their inner thoughts during moments of distress and examined strategies to help them persist through difficult times. TFT members will continue to spend intentional time in TFT meetings exploring their identity/ies as unique individuals as they prepare to enter the field of teaching.
