If your course is listed and you took it within the required timeframe (5 years prior to the term you are admitted to the program for Human Development, Introduction to Elementary Classroom Teaching, and Cultural Pluralism; 10 years for Ethnic Studies), you do not need to submit a petition.

Petition forms are located on the website under the “Prerequisites” section. Applicants must submit petitions for prerequisite courses if either of the following situations applies:

1. If a course is not listed on the course equivalency chart and you believe that it meets the course requirements, or
2. The course has expired 5 years prior to the term you are admitted to the program for Human Development, Introduction to Elementary Classroom Teaching, and Cultural Pluralism.

NOTE: Petitions for Ethnic Studies can only be submitted for courses not on the chart. Petitions for Ethnic Studies cannot be submitted for courses on the chart and taken over 10 years ago.
