TITANium Quick Tips

How to log into TITANium and enter a Community:
1. Log into your portal with your user name and password.
2. Click on the TITANium tab.
3. Click on TITANium Communities
4. Click on the title of the Community under “My Courses” in which you want to enter.

How to Self-Enroll into a Community:
1. Scroll to the bottom of your Home page
2. In Search courses Enter the name (or partial name) of the Community in which you want to enroll and click Go. OR click on All courses to view a list of all Courses/Communities available at CSUF.
3. Click on Enrol me
4. You are now enrolled.

How to minimize the number of Topics viewed and how to switch Topics:
1. Choose any topic and click on the small box to the right:
2. To switch topics, click on the Jump to drop down box and choose your next topic:
