- Written Communication

<Instructional and as applied to library research>
Assessment and Evaluation

- The ability to develop appropriate criteria and implement methodology for determining the effectiveness of teaching and learning strategies and experiences.

- Students must also be able to effectively evaluate and assess websites and other research materials. The library provides web resources for this.
Collaboration

- The ability to work productively in a team or in collaborative settings to achieve common goals or purposes.

- Students work with library personnel to improve research methods and access to information.
Critical Thinking and Problem Solving

- The ability to analyze, evaluate, and synthesize information as well as generate and apply appropriate solutions to solve problems based on reasoned rationale.

- This applies to all research papers and final project in which the library is an integral part.
Media Literacy

- The ability to plan, design, implement, and assess various media while considering ethical and equity issues.

- While conducting research, students use their media literacy skills to access, analyze, evaluate, and communicate information in a variety of formats including print and nonprint.
Research

- The ability to conduct, evaluate, and synthesize research and apply theoretical ideas to practical settings.

- Includes the ability to use library resources; the library offers students numerous avenues of support for conducting research.
Written Communication

- The ability to effectively present ideas in a logical framework in a variety of written forms with proper language structure and mechanics.

- Library provides student support with web resources in areas such as APA format, grammar, etc.

Library Services: Areas of Need for MSIDT program

- Electronic resources, especially journals
- Remote Access to CSUF-owned electronic resources
- Remote Access to CSUF-owned print resources
- Access to articles and books not owned by CSUF
- Access to reserve materials
- Access to reference librarians
- Access to library instruction
Electronic journal collection already strong.

Supplemented by Ingenta document delivery.

Added SFX in 2003, allowing full-text linking to ERIC and other articles indexes.
Remote Access to Electronic and Print Resources

- Fall 2002, MS Proxy had just replaced fee-based Titan Access Online
- Moved to EZ-Proxy for 2003-2004
- Campus portal used for authentication
- Added scanning service for CSUF-owned articles available only in paper format.
- Added document delivery of books and scanned articles via mail.
Access to articles and books not owned by CSUF

- Has speeded up article delivery especially.
Access to Reserve materials

- E-Reserves launched officially 2002.
- Working toward including e-reserves in Blackboard courses.
Access to reference librarians

- Telephone Reference added 2001/02
- Virtual live reference added 2002/03
- Currently part of the 24/7 CSU consortium.
Access to library instruction

- Library orientation workshop during boot-up camp.
- Distance Education student newsletter
- Access to MSIDT Blackboard course to check discussion boards.
- MSIDT web-based library guide
