

# SPECIAL INTEREST IN MATH (SIM) TEACHING SCHOLARSHIP

**Math and Science Teacher Initiative (MSTI) and Teacher Recruitment Project (TRP)** offer a \$1,500 scholarship to qualifying current CSUF students who plan to enter the CSUF multiple subject, Foundational Level Mathematics, or single subject credential programs.

**Must earn a B- or better in three of the following courses and plan to enroll in a CSUF credential program:**

- Math 303A** (offered both FA & SP semesters)
- Math 303B** (offered both FA & SP semesters)
- Math 403A** (SP semester)
- Math 403B** (FA semester)

Complete the interest form below using your CSUF Google account.
