Elementary educators and administrators are invited to a dinner event hosted by the Orange County Math Council.

Developing Fluency with Basic Facts
Monday, March 24, 2014
5:00 - 8:00 p.m.
Dave & Busters, The Outlets of Orange
20 City Boulevard West, Bldg. G, Suite 1, Orange, CA

Guest Speaker - Linda Gojak, President
National Council of Teachers of Mathematics

Support the development of basic fact fluency through strategic thinking rather than rote memorization. Linda Gojak will share ways to develop student fluency with basic facts as well as make connections to other number concepts.

Registration cost for non-OCMC members is only $20.00, includes dinner, presentation, vendors, and 2014 OCMC membership. The registration cost for current 2014 OCMC members is only $10.00.

Agenda:
5:00 – 6:30 PM – Check-in
   – Time to meet with elementary school-focused textbook publishers/vendors in the Exhibit area
   – Buffet dinner

6:30 – 7:30 PM – Presentation by Linda Gojak

7:30 – 7:45 PM – Q & A Session with Linda Gojak

7:45 – 8:00 PM – Raffle
