Wild Nights!
A Journey through Night & Nature

Saturday
September 13\textsuperscript{th}, 2014
7:00pm-9:00pm

Join Naturalist Mark Mendez for tales about nocturnal animals and what they do while we sleep!

\textbf{JUST ADDED} - Join Rich Schilk on an Insect Safari! See and learn about nocturnal insects!

Did you know:
...a barn owl has one ear higher than the other?
...only male toads and frogs croak?
...coyotes sing as a form of communication?
