Are you interested in becoming a math or science teacher?

We can help!

The Math and Science Teacher Initiative (MSTI) program provides numerous scholarships to those in pursuit of single subject teaching credentials in math or science!

Scholarships

For more information about the scholarships available and how to apply, see the reverse side of this flyer or visit us at our website: http://ed.fullerton.edu/msti

Deadlines:
Fall: October 15
Spring: March 15
FOR CURRENT JUNIOR/SENIOR UNDERGRADUATES

MSTI Scholarship for Future Science Teachers, Science Major ($1,000):
For CSU Fullerton junior or senior science majors who are pursuing a career in teaching secondary science (grades 6-12). REQUIREMENTS: a) At least a 2.75 GPA as undergraduate, and b) completed at least two of these credential program pre-requisites: CBEST or EDSC 310, 320, 330, or 340.

MSTI Scholarship for Future Science Teachers, Minor in Natural Sciences ($1,000):
For CSU Fullerton junior or senior Minor in Natural Science students who are pursuing a teaching credential in foundation-level general science. REQUIREMENTS: a) At least a 2.75 GPA as undergraduate in science, and b) completed at least two of these credential program pre-requisites: CBEST, EDSC 310, 320, 330, 340, or EDEL 315.

MSTI Scholarship for Future Math Teachers, Mathematics Majors ($1,000):
For current CSU Fullerton junior or senior mathematics majors who have the intent of pursuing a career in teaching secondary mathematics (grades 6-12). REQUIREMENTS: a) At least a 2.75 GPA as undergraduate, and b) passed Math 380 or Math 401/402 with a “B” or better.

MSTI Scholarship for Future Math Teachers, Mathematics Minor ($1,000):
For CSU Fullerton junior or senior mathematics minor who have the intent of pursuing a career in teaching foundational-level mathematics (grades 6-10). REQUIREMENTS: a) At least a 2.75 GPA in undergraduate math, and b) passed either the CSET Math 110 or Math 111 content exams of Math 130 of Math 150A.

FOR CURRENT POST-BACCALAUREATE CREDENTIAL STUDENTS

MSTI Mathematics or Science Candidate Scholarship ($1,000):
For those who are pursuing a career in teaching foundational-level mathematics, mathematics, or science in California public schools. REQUIREMENT: Senior or post-baccalaureate student who has completed an SMPP in math or science or passed at least 2 CSET content exams in math or science.

MSTI Future Bilingual Science/Math Teacher Scholarship ($1,000):
For current CSU Fullerton junior, senior, or already-graduated post-baccalaureate students fluent in a language other than English and pursuing careers in teaching secondary (grades 6-12) science or mathematics. Must have at least a 3.0 GPA, completed at least one of these credential program pre-requisite courses: EDSC 310, 320, 330, or 340, and demonstrated fluency in a language other than English.

MSTI Additional Authorization in Science and Mathematics Teacher Scholarship ($2,000):
CSU Fullerton post-baccalaureate FLM, math, or science credential candidates eligible for authorization to teach in more than 1 field of science and/or mathematics. Must have good academic standing, successfully completed CSET content exams in at least 1 additional field of science or mathematics, and pursuing a single subject teaching credential in chemistry, biology, earth sciences, physics, foundational level general science, mathematics, or foundational level mathematics.
