# PRISE Summer Internship

## For future SCIENCE & MATH teachers

#### WHO CAN APPLY?

CSUF junior, senior, or postbaccalaureate students (including credential candidates in single subjects science, mathematics, and foundational level mathematics) working toward becoming a SCIENCE or MATH teacher.

## WHY APPLY?

The program Promoting Resources in Informal Science Education encourages to gain experience.

As an intern you will gain valuable experience developing and implementing a science or math education project at one of our partner organizations including the Fullerton Arboretum, Santa Ana Zoo, Crystal Cove, Girls Inc., Pacific Marine Mammal, and Discovery Cube. Additionally, your internship stipends will range from \$1,500 to \$2,500!

## **ARE YOU ELIGIBLE?**

In order to apply you must meet the following requirements

- 1.Good academic standing and 2.5 GPA
- 2.Pursuing/ planning to pursue credential in single subject teaching in chemistry, biology, earth sciences, physics, mathematics, foundational-level general science, or foundational- level mathematics;
- 3.successful completion of at least one single subject credential program prerequisite course OR passage of one of the CSET subtests for mathematics or a science area (PREFFERED not required)
- 4.MUST BE A CSUF STUDENT IN FALL 2024

#### DEADLINE: MAY 5, 2024 @ 11:59PM
