Only complete application files will be accepted (letters of recommendation may be mailed separately and therefore need not be submitted with the other application documents).

1. **University Application** - Apply to CSUF on www.calstate.edu/apply (Note: Admission to the university as a credential student enables you to take the prerequisite courses. It **DOES NOT** guarantee entrance to the credential program). You **MUST** pay the \$250.00 acceptance fee referenced in your university acceptance email.
2. **Credential Program Application** - Complete credential program application <http://ed.fullerton.edu/seced/admissions.php>
 - a. **Prerequisite Application** - For those applicants who need admission to the university to enroll in prerequisite courses, the *Prerequisite Application* must be completed and submitted to CP 540 immediately following application to the university. Your university application will not be processed until this prerequisite application is received. Students who take the prerequisite courses as undergraduates need not submit a prerequisite application.
 - b. **Program Application** - For those applicants who are currently enrolled in or have completed prerequisite courses. All applicants must complete the Program Application even if you previously submitted a Prerequisite Application. Program Application must be submitted with all admission documents by the application deadline.
3. **Credential Application Processing Fee** - \$50.00 (show receipt from the Cashier's Office – UH 180 or pay online: <http://coeapps.fullerton.edu/atedfee/> link to pay processing fee). This is a separate from the university admission fee.

A copy of SMPP form must be submitted with advisor signature documenting SMPP progress and expected completion date.
