ES-02-L1: FOR TRADITIONAL CANDIDATES WITH AN EXISTING MULTIPLE/SINGLE SUBJECT CREDENTIAL

- For advisement purposes, this plan identifies the coursework sequence for the Level I, Level II, and MSE program. Candidates pursuing only a Level I credential may stop after the second semester coursework.
- MSE classes are designated in **red and with an asterisk (*)**. Courses in the last column may only be taken after completion of SPED 501 and admission into the graduate program.
- Candidates with a Professional Clear Multiple/Single Subject Credential have met equivalency for SPED 504 and HESC 558, however must be taken by Masters students.
- Non-CSUF course equivalencies must be documented with an approved Course Equivalency Petition or they will NOT be accepted by the Credentials Office and your credential may be delayed.
- The student is responsible for retaining copies of approved petitions.
- All classes in each semester should be successfully completed
