**For applicants who are applying to the University in order to complete the prerequisites for the Preliminary Education Specialist Credential Program;**

You may receive information stating that you are admitted to CSU Fullerton; however, you will only be admitted to the program on a **conditional basis**. This conditional admit permits you to take **ONLY** prerequisite and preservice coursework within the Special Education Department.

To be fully admitted to the credential program, you must complete the necessary admission requirements, successfully complete the program prerequisites and pass an interview. For more information on program admission requirements go to:

<http://ed.fullerton.edu/sped/apply-now/applying-to-our-credential-programs/>

Admission into programs leading to licensure and credentialing does not guarantee that students will obtain a license or credential. Licensure and credentialing requirements are set by agencies that are not controlled by or affiliated with the CSU and requirements can change at any time. For example, licensure or credentialing requirements can include evidence of the right to work in the United States (e.g., social security number or tax payer identification number) or successfully passing a criminal background check. Students are responsible for determining whether they can meet licensure or credentialing requirements. The CSU will not refund tuition, fees, or any associated costs, to students who determine subsequent to admission that they cannot meet licensure or credentialing requirements. Information concerning licensure and credentialing requirements are available from Kristin Nichelini in the Credential Preparation Center, [knichelini@fullerton.edu](mailto:knichelini@fullerton.edu)

My signature indicates that I have read and understand this document. You will not be admitted to the University until you have signed and submitted this contract. Please sign and return to the Special Education Admissions Assistant in CP540.
