About the College of Education
The College of Education is committed to the preparation and professional development of innovative and transformative educators who advance just, equitable, and inclusive education. As a professional community of scholar-practitioners, we promote creativity, collaboration and critical thinking as fundamental to student achievement and success in a diverse and interconnected world.
Our Program Completers will...

REACH
- the intersecting social identities of all learners through the critical examination of implicit and explicit biases and privileges in order to provide fair, respectful, non-discriminatory, equitable, inclusive, and humanizing learning environments.

TEACH
- through an anti-racist lens using culturally and linguistically relevant strategies, including educational technologies and community engagement, to provide equitable opportunities and supports necessary for all learners to attain high-quality outcomes.

IMPACT
- schools and communities through a commitment to dismantling systems of oppression by supporting students, teachers, and leaders as citizens in a highly diverse, global, interconnected, and digital world.
