Credential Application Process

EDUCATION SPECIALIST CREDENTIAL PROGRAM
The application recommendation is a two-step process:

1. Paper applications are due to the Credential Preparation Center in order for CSUF to electronically recommend you for a Credential.

2. Once recommended by CSUF, you will receive an email from the CTC (Commission on Teacher Credentialing) with instructions on how to complete the second portion of the application process.

By January 31st, you should receive an instructional email from CTC on how to complete the remainder of the online application process (see next slide for preview). Once completed, a payment confirmation will be emailed to you from CTC. After 5 days, start checking for your credential document on the CTC website at: https://educator.ctc.ca.gov/esales_enu/start.swe?SWECmd=GotoView&SWEBHWND=&SWEView=Login+View&SRN=&SWEHo=educator.ctc.ca.gov&SWETS=1505513812

Appeal for Extension

If your credential expires before you clear it:

1. Don’t panic! Once you hold a preliminary credential, you do not need to repeat the credential program.

2. Appeal for an Extension to the CTC.
   - Keep in mind that you can file an extension once in your lifetime so it’s unofficially recommended that you wait to do this until you are hired for a teaching position. You can still apply for teaching positions even with an expired credential.
   - Keep in mind you will never “lose” your preliminary credential even though it may expire & you will not be able to teach on it, it will always be part of your record/file with the CTC.
1. Contact that State’s Department of Education to request an application packet.

2. Most states require that an Out-of-State Verification Form / Institutional Recommendation Form be completed by CSUF. If so, mail, fax, deliver or email it to credentialsonline@fullerton.edu.
Congratulations!
