

# PROJECT AMIELA

*Empowering students to see and use Spanish as the linguistic and cultural tool that it is*

*Creating inclusive teaching and learning spaces where students and teachers learn and grow together*

**Join the movement to promote a multilingual campus where Spanish and other languages are **heard, spoken, and learned** through different subjects such as **Math and Biology!****

**Active participants will receive a \$300 scholarship!**

*If you get MCS aid, new awards may reduce your MCS grant; contact Financial Services before applying for MSTI funding.*
