

FUTURE STEM TEACHERS OF COLOR PROJECT

Are you...

- interested in learning more about teaching STEM?
- a self-identifying individual of color (Black, Indigenous, Latina/o/x, Asian, Pacific Islander, Middle Eastern, African, or mixed-heritage)?

Have you ever...

- wished you had a community where you felt like you belonged?
- felt like your white peers couldn't relate?

APPLY TO BE A FELLOW FOR FUTURE STEM TEACHERS OF COLOR!

Each fellowship will include:

- Mentoring relationships with CSUF faculty of color
- Access to a diverse professional learning community of future STEM teachers of color
- financial support for work done as a fellow
- Connections to practicing STEM teachers of color
