

Single Subject Teacher Preparation Program Course Equivalency List (updated 3.20.23)

The following courses taken at other colleges are considered **equivalent to our teaching credential program pre-requisite courses** EDSC310 or EDSC320. In addition, there is one credential program course (part of the program, not a pre-requisite), EDSC 304, that may be taken before starting the program.

For any equivalent course, you must still complete the course equivalency petition ([found at the bottom of this webpage](#)) in order to have the course applied to your Single Subject application.

All courses below have been previously reviewed and will be considered equivalent. Those with a “formal agreement” work closely with CSUF faculty to share a common course syllabus.

CSUF EDSC Course	Community College	Outside Course #	Outside Course Title	Formal Agreement?
EDSC310	Chaffey Community College	ED 10	Elementary Classroom Fieldwork	No
EDSC310	Cypress College	EDUC 225	Secondary School Teaching	Yes
